

COMMERCIAL SECURITY SOLUTIONS

Proactive Video Monitoring and Remote Guarding That Detects, Deters, and Defends.

Trespassing on commercial properties typically leads to vandalism, theft, and loitering. At any given time during the day there are employees, vendors, customers, guests, warehouse deliveries, and more roaming the premises. With all of this foot traffic happening during business hours, and not to mention outside of business hours, your corporate campus is always at risk. You need 24/7 eyes watching and protecting your premises through Remote Guarding.

HOW EYEFORCE REMOTE GUARD SOLUTIONS CAN HELP

Eyeforce offers 24/7 surveillance of your property by utilizing remote guard monitoring from a central security operations center. With our remote guarding services, your property receives A.I. powered surveillance technologies backed by a team of live intervention specialists and operators that monitor your property without the high cost and high liability associated with uniformed guards.

HOW IT WORKS

- ✓ Government-grade video surveillance and analytics detect unwanted, unusual, or suspicious behaviors, alerting crime specialists.
- ✓ Security specialists deter crime by immediately and directly engaging the individual with a loud warning to exit the property and communicate with law enforcement.
- ✓ Eyeforce provides proactive rather than reactive security, complete oversight of large, dark, or remote sites, immediate intervention that stops crime, and complete peace of mind.

TOP BENEFITS OF EYEFORCE REMOTE GUARDING
